FEDORA

FEDORA is a European Platform that supports talent and artistic work of excellence to reach the stage.

ABOUT FEDORA

FEDORA - The European Circle of Philanthropists of Opera and Ballet is a non-profit organisation that was created in Paris, in January 2014, under the presidency of Jérôme-François Zieseniss.

Nurturing the renewal of opera and ballet is our mission: as a circle that gathers philanthropists in Europe, we dedicate our passion and energy to assemble opera and ballet enthusiasts, who share the same vision of excellence. We believe in supporting emerging artists of exceptional talent in the field of opera and ballet, through the FEDORA Prizes. They were created thanks to the support of Major Donors and in close collaboration with Opera Europa to encourage innovation and creativity in these artistic fields. Thereby we wish to pay tribute to Rolf Liebermann who ignited FEDORA's vision over 20 years ago. We therefore raise funds for new opera and ballet productions that are created in the form of co-productions between opera houses, festivals and emerging artists.

FEDORA PLATFORM

Co-funded by the
Creative Europe Programme
of the European Union

In 2017, FEDORA successfully applied for the European Union's "Creative Europe" funding program to implement its project of an interactive European Platform to support innovation in opera and ballet. The Platform (www.fedora-platform.com) will act as a European hub and as a European quality label, promoting innovative and hybrid opera and ballet coproductions, created by emerging artists from diverse disciplines. It will encourage the involvement of existing and new audiences by allowing them to vote for their favourite projects and participate in their funding through online donations.

YOU AND FEDORA

Sharing the same vision as FEDORA, individual members are an important tier of the FEDORA circle. As part of the community, you can set an example of uniting Europe through collaborations and exchanges in the field of the performing arts, while enjoying exclusive access to the opera houses and festivals within our network.
